OPEN EVENTS FOR 2011

This year’s International Student Convention will once again feature a host of “open events.” These events are open to ALL participants attending International Student Convention and do not require Regional Convention qualification or preregistration. Competitors sign up at the International Student Convention (on site) and compete during “free time.” Competition will be divided by age and gender (when applicable).

All open event competitors must conform to the dress and appearance guidelines for similar event categories. Competitors who violate the dress and appearance guidelines will not be permitted to compete in any competition.

No official events will be rescheduled due to conflicts with open events. All open events entry submissions become the property of A.C.E. **All *Student Convention Guidelines* will apply for open events.**

SCRABBLE: Individual competition

This event will be run by the standard rules of Scrabble as they appear in the box. All games will be a one-on-one competition. All cases of disputed words will be verified by the judge using the *Thorndike Barnhart Advanced Dictionary*. The highest score of the day is awarded the medal.

SPORT STACKING: Individual competition

The fastest time recorded each day in both the 3-3-3 and 3-6-3 stacks are awarded medals. Proper stacking sequence and rules can be found at the [World Sport Stacking Association](http://www.worldsportstacking.com) (WSSA) website. If you are unfamiliar with this event, visit www.speedstack.com for complete information. [Instructional videos](#) and a [complete rule book](#) are also available.

WSSA rule book guidelines will be followed pertaining to timing, up-stacking, and down-stacking sequence of 3-3-3 and 3-6-3 stacks.

CONSECUTIVE WORD COUNT SCRIPTURE MEMORY: Individual competition

(English and Spanish) Consecutive Word Count Scripture Memory (English—*KJV*, Spanish—*Reina-Valera*, 1960) involves students beginning at any point in Scripture of their choice and reciting, word perfectly, as many consecutive words as possible. Participants are allowed one prompt per chapter, either upon their request or after a ten-second pause. A misquoted verse signifies the end of the recitation. Word count will be verified by a computer program. Awards will be presented to the top finishers.

BRAIN TEASERS: Individual competition

Students will individually use their cognitive thinking skills to solve problems, complete puzzles, and answer riddles. Each problem, puzzle, and riddle will be given a specific point value. Students will complete as many projects as they can in a predetermined amount of time. Different projects will be available on Monday, Tuesday, and Wednesday. The student with the highest total score will win that day's competition.

TREASURE HUNT: Group competition (male and female)

Students competing in teams of three to five members will sign up at a designated location and receive specific instructions and their clues. Each clue will lead them to more clues. The team that finds the treasure in the shortest amount of time wins the competition. New hunts will begin on Monday, Tuesday, and Wednesday. Individuals forming a team are not required to be from the same school or homeschool.

SCRIPTURE DETECTIVES: Individual or group competition (male and female)

Students competing in teams of one to three members read a story with a mystery to be solved at the end. Clues are given along the way in which Scripture verses reveal the answer. The team who completes the most mysteries in the shortest amount of time wins the competition. New sets of mysteries will be available on Monday, Tuesday, and Wednesday. Individuals forming a team are not required to be from the same school or homeschool.

Please note: Three-on-three Volleyball is open to individuals who ARE NOT on a volleyball team competing at ISC.

BASKETBALL HOTSHOT: Individual competition (male and female)

Students test their skill in 3 areas: lay-ups, free throws, and 3-point shots. Students have 2 minutes to shoot from any of the 3 specified areas. Each completed “bucket” counts as 1 point for a lay-up, 2 points for a free throw, and 3 points for a 3 pointer. Winners are determined by the highest score. Male and female will be scored separately.
